

Government

San Luis Obispo City/County Government: Two positions joined in 1977, Review 1986, 2004.

The League supports policies and actions that achieve a responsive and representative government; promote increased citizen understanding of finances and greater involvement of the public and staff in budget-making and long-range financial planning; and provide for the periodic evaluation of locally levied taxes, licenses, and fees. The League supports policies and actions that promote the effective operation of citizen advisory commissions, committees, task forces and other advisory bodies.

San Luis Obispo City/County Planning and Land Use: Adopted 1976, 1976, Review 1987, Update 2003.

The League supports policies and actions that provide for orderly and sustainable growth and development; protect the land resources and environmental and aesthetic qualities of our county and cities; ensure public access to the decision-making process; and encourage cooperation and effective coordination among all entities involved in planning and land use policy and implementation.
